### **With gratitude**

Dear Father John Ngo, Father Cesar, Deacon Greg, school staff, parents, students, and friends,

Thank you so much for the very special surprise Mass in honor of my retirement! You did so much for me! I will always treasure my yearbook, the book with each of your dear notes, and the memories of that day. The PTO reception was wonderful, and it all means so much to me! I have always felt so blessed to be working with you, and I thank God for you!

Mrs. Paula Ross, First grade teacher

### **A job well done!**

Each day, during the school year, our dedicated Safety Patrol volunteers arrived early, assisting students from their cars to keep traffic flowing, and stayed past school dismissal to assist with cross guard duty. Rain or shine, these students consistently reported for duty, providing a safer environment for their peers. Thank you for a job well done! We would also like to thank the Safety Patrol moderators, Mrs. McHugh and Mrs. Ross, for their guidance and leadership, and to the parents for supporting these students in their call to serve our Annunciation community.

### **Technology survey**

At this time, only a few families have contributed to our technology survey. In order for us to form a more complete picture of technology use for learning, we need your input. Click on the link below by Friday, June 1st to complete this brief survey. We thank you for your participation. <http://www.BByt.es/C827P>

## Cathedral of the Annunciation invites you to a special presentation

### Hollywood vs. Faith; The struggle to live faithfully in the media age

Saturday, June 30, 2018- Immediately after the 5:30 pm Mass

Frank Runyeon has received national acclaim as a speaker on the subject of the mass media, as well as for his work as a translator and performer of Biblical texts over the past 20 years. He has performed the Gospel for hundreds of thousands of people in virtually every state of America. In the current talks of HOLLYWOOD vs. FAITH, Runyeon urges his audience to think about the media, not just take a bath in them. He suggests, with humor, how to watch TV "inside-out." He discusses the subtle impact of commercial sponsorship, as well as the real reasons for all the sex and violence in the media, offering a fresh perspective as an actor who desires truth in storytelling, not censorship. Hosted by Annunciation's Youth Ministry.
