8:00 am - 12:00 pm

Saturday August 11

Back To The Eighties's
7th Grade D.C. Trip Fundraiser

Dress code revision

Before you begin your back to school shopping, please be aware of the change in the dress code policy for shoes and bows, which can be found on the school website under Quick Reference.

God's Corner...

"Whoever drinks of the water that I shall give him will never thirst; the water that I shall give him will become in him a spring of water welling up to eternal life."

-John 4:14

A fond farewell

We were recently informed by Mrs. McHugh that she has made the decision to pursue another teaching position. We thank Mrs. McHugh for her time and dedication to Annunciation school and wish her much success and many blessings in her new position. Please see her note below:

I want to first and foremost thank all of the families that have shared their children with me over the last nine years. My first 8th grade just graduated from various universities across the country and I couldn't be more proud of them. I also want to thank the Annunciation families for all of their support and prayers through some of the best times of my life and some of the worst times of my life. I am eternally grateful. My passion for teaching is taking me to a new school and a new district, but Tom and I will still be a part of the Annunciation and St. Bernadette's parishes. Sincere appreciation also goes to past and current faculty and staff. Annunciation is a great place to work and a great place to learn. I wish everyone good health and much happiness.

Yours in faith,
Jayne McHugh

Welcome

We are pleased to welcome Ms. Adriana Spangler to our teaching team next year! Ms. Spangler will be our 6th grade homeroom teacher and teach 6th-8th grade Math and Social Studies. She joins us from St. Luke's where she has spent the past nine years teaching various grades and classes. During her tenure at St. Luke's, she taught 5th grade and most recently middle school math and social studies, and was the Vice Principal. Ms. Spangler is the proud mom of Eric-who will be a sophomore at Lodi High, Xavier-who will join us in 6th grade, and Matteo-who will be a 3rd grader at Annunciation next year. We welcome the Spanglers to the Annunciation Family!

Bathroom Update

While our hope was to have the upstairs bathroom renovated before school starts in August, we now know that will not be feasible. The process for this job has taken longer and is more complicated than expected. Before school starts in August, we plan to be further along in the process with a goal of beginning the project as soon as school ends in May 2019. We will provide more details and an update at the beginning of the school year.

Save the date

Enjoy a delightful evening and travel *Back to the Eighties* at the Annunciation School 7th grade class Washington D.C. trip fundraiser on Saturday, August 11 at 6:00 pm. For more information, check out the flyer on the school website.

Safety Update

On Sunday, June 25, after the 9:00 am Mass, parishioners were invited to have coffee and donuts with the Chief of Police and Bishop Cotta to discuss the safety issues surrounding our parish and school grounds. While this was an impromptu gathering, several parishioners attended and were able to share their concerns. The issue regarding the homeless and the unsafe /unsanitary conditions on our grounds were addressed. The Chief of Police confirmed that we are doing the right thing by locking gates and improving lighting and he will see to it that the patrols in the area check the grounds more often. We appreciate the Stockton Police Department for taking the time to meet with us and validate our concerns.

Inspiring young women through STEM

Expanding Your Horizons is an annual conference designed for 6th through 12th grade girls to encourage them to consider education and career options in science and mathematics. This annual conference will be held at UOP on Saturday, September 22, 2018 from 8:15 am - 3:00 pm. Registration is first come first serve and begins on August 1, 2018. Register online at <https://www.sjeyh.org/> or print out the brochure on the school website.
