God's Corner...

You did not choose me, but I chose you and appointed you so that you might go and bear fruit--fruit that will last--and so that whatever you ask in my name the Father will give you. ~ John 15:16

Baccalaureate Mass

Today at Baccalaureate Mass, we celebrated the eighth grade as they prepare to graduate. In the beginning of Mass, the kindergarten buddies were brave as they stepped up to the microphone to say something nice about their eighth grade buddies, and at the end Mass, we acknowledged the eighth grade students who received the President's Awards.

The **President's Award for Excellence** was given to those students who maintain an average GPA of 3.5 throughout jr. high – in addition to scoring 85% or higher on standardized math or reading tests.

We awarded the Josie Senegor Memorial Scholarship to an ambitious and friendly student – a student who will certainly take on the world – a student who has the faith to let God's grace lead the way – Andrew Chavez.

We recognized Catey Campora and her entire PTO crew for all that they do to support us throughout the year.

We had the Yearbook staff present the yearbook dedication to ... Deanna Eberhardt! Within a few minutes, Mrs. Eberhardt was asked to come back up to receive the Helen Guiliani Award, which is given to the parent who has been consistently dedicated to the school for many years. Mrs. Eberhardt has selflessly shared her time, talent, and treasure with Annunciation School for the past nine years, and we are most grateful.

The Fall Festival will go on!!

After much consideration and lots of prayers, Gina Rishwain has decided to take on the role as the Fall Festival Chairperson. Thank you, Gina, for coming to the rescue!

To our graduating parents

You have been a treasure. You have enriched us, supported us, and made Annunciation a very special experience, not only for your children, but for the entire community. We thank you most dearly and wish you a joyous journey. Please know, above all else, you will be deeply missed. Annunciation School is a better place because of you.

Each day, during the school year, our dedicated Safety Patrol arrived early, assisting students from their cars to keep traffic flowing, and stayed past school dismissal to assist with cross guard duty. Rain or shine, these students consistently reported for duty, providing a safer environment for our school. Thank you for a job well done!! We would also like to thank the Safety Patrol moderators, Mrs. McHugh and Mrs. Ross, for their guidance and leadership, and to the parents for supporting these students in their call to serve our Annunciation community.
